Because Your RV/Trailer Insurance  
Doesn't Cover Everything...

If Your RV/Trailer is Stolen or Totaled  
Expert Gap Covers the Difference  
Between Your Loan or Lease Balance  
and Your Insurance Settlement....

# Why you should have **ExpertGap** protection...

If your RV/Trailer is declared a total loss due to an accident or theft, most insurance policies will only reimburse the owner the actual cash or market value of the RV/Trailer.

This amount plus your comprehensive deductible could create a significant GAP between what your insurance company will pay and what you owe to your lender or leasing company. You have to pay the difference and it could be substantial \$\$\$.
